Vocal Range Spotlight

Congratulations Vocal Range for moving on to the second round of auditions with AJ Kids Idol!

They will be working on new music, holding fundraisers, and having more performances throughout the school year.

Donations for this program are always welcome and appreciated!

2nd and 3rd grade
Holiday Performace

IN THE NEWS

Elementary

Students will be listening to music from different cultures to explore sound. Music from around the world showcases different new instruments and unique sounds. In some cases, they may not like the sound of an instrument, but will discover that these instruments are used in music that they do enjoy.

Middle

Our middle school students are continuing the exploration of music on the guitar and ukulele. As students learn new skills, they work with classmates to practice. This allows them to provide feedback to one another to improve their technique.
