In The Spotlight

Congratulations to Vocal Range!
Our group competed at AJ Kids Idol on January 27th and received the Audience Favorite award! This opens up some great opportunities for our group to perform at more events in the community.

All of us at Avalon are proud of the achievements of these students and are excited to have them continue in their excellence!

February 23rd - Lost Dutchman
Parade

April 6th - Earth Day Celebration
Earth Heart Park and Community
Gardens

IN THE NEWS

Elementary

Our Elementary classes are learning to play rhythms on multiple types of instruments. They have been working on reading and playing rhythms as a whole class and are now moving into playing a rhythm while others are playing a different rhythm.

Middle

Students on the Ukulele are learning new songs on these instruments. The challenges are increasing because of new strumming patterns, tempo of music, and more challenging chords. We will be adding steel drums into our music soon!
